Fast Grower light Green.

Idle ground costs you money so plant Trees
for an investment. Every dollar invested
in plant material will be worth five times
your investment in three years. Your
property will be worth a lot more.

Always advise if we can substitute sizes
or varieties.

For the beginner of Small Home Owner we suggest the following Specials and this material will develop to sizes which in a few years will be worth five or six times the original cost.

EVERGREEN SHRUBS: Can be planted with Evergreens as they do not grow too fast. Sample collection 4 to 8 inch..6 for \$2.00
